The Best Undergraduate Accounting Programs According to Tax Hiring Authorities

Optimizing Tax Careers and Corporate Tax Departments

2013 Educational Survey Series - Best Undergrad Accounting Programs

SURVEY: Best Undergraduate Accounting Programs
YEAR: 2013
PARTICIPANTS: 106 Participants
Heads of Corporate In-House Tax Departments

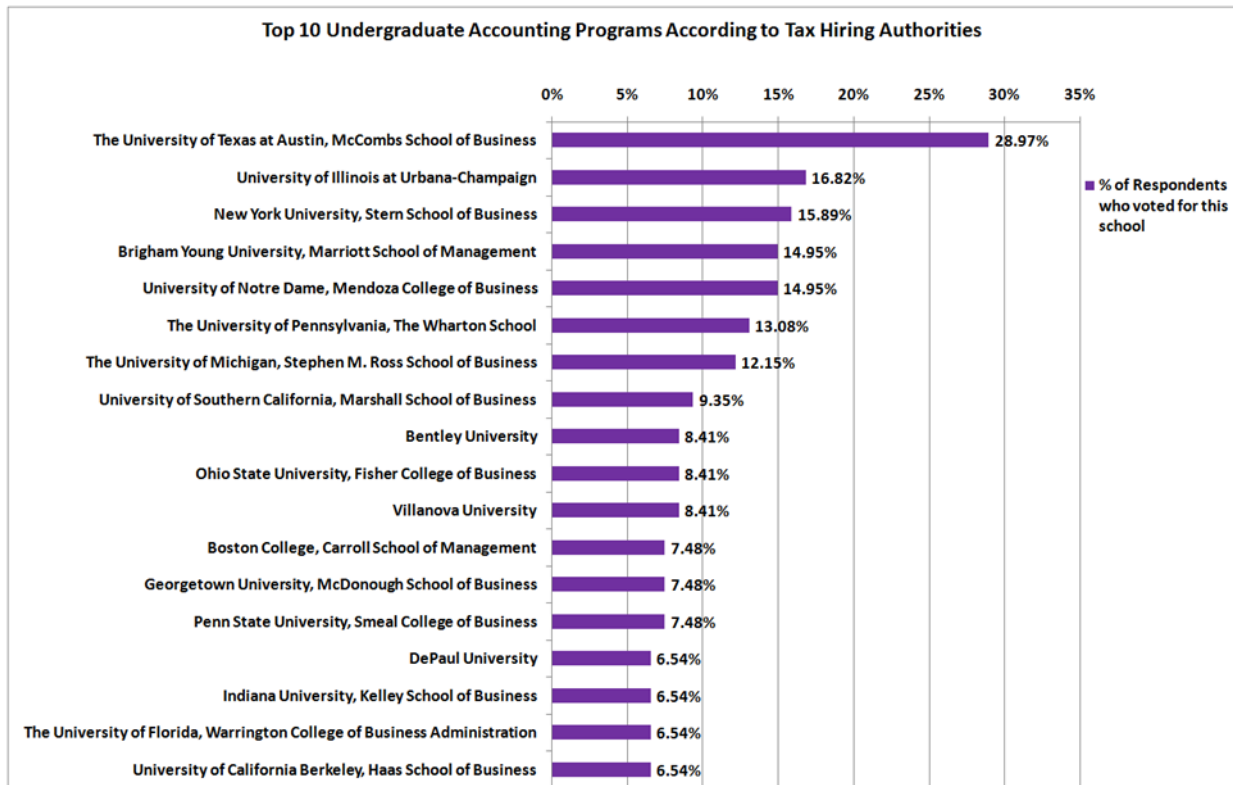

Mount Pleasant, SC:

TaxTalent is pleased to announce the highest-regarded undergraduate accounting programs in the United States, based on the responses of 106 heads of corporate tax departments.

According to TaxTalent President, [Tony Santiago](#), "The future of the tax profession lies with our young tax professionals. This is why we place such emphasis on providing students with quality information to allow them to make informed educational decisions. This survey compliments the results of our previous rankings of Masters in Tax and LLM Tax programs, ensuring that students have access to comprehensive educational data."

Nine of the top schools from this survey also ranked in our previous [graduate tax surveys](#)

Results:

[Click here to view the complete results of the Undergraduate Accounting survey](#)

Methodology:

Number of Respondents per US Census Region:

Midwest: 26 Northeast: 35, South: 22, West: 19, No location given: 4

Respondent Profile:

- 106 currently employed heads of corporate in-house tax departments.
- Tax hiring authorities from public accounting and law firms were *not* included among the participants.
- Consultants and independent tax professionals were *not* included.

Delivery Method:

The Survey was sent out as an email and participants were given one month to reply.

Survey Format:

Respondents were asked to select up to five undergraduate accounting programs from the top 125 listed in [Bloomberg Businessweek's rankings](#) that they hold in the highest regard when considering candidates. Schools were then ranked based on the total number of votes they received.

It is the ongoing objective of TaxTalent to provide tax professionals, tax hiring authorities, and those interested in entering the tax profession with timely, relevant, and accurate data. To search for schools with undergraduate accounting programs, utilize the [Graduate and Tax Law Program Search](#).
